

VICE-PRESIDENT'S MESSAGE

Going into the new year all of us face many, many uncertainties. With the threat of war in the Middle East, widespread and growing hunger and homelessness, mass lay-offs and deepening recession, there are dwindling numbers of things in our lives we, as families and individuals, actually have control of--hence the subject of this message.

After you have read this issue and perhaps re-read it, did you feel it contained the appropriate amount of ingredients to make you feel a part of this large family? Did you feel this issue contained enough information concerning activities within the FCA? Did you see "your" chapter mentioned in this issue? Did you feel this issue offered articles of interest such as technical tips or profiles on individuals, feature cars, or chapters?

If your answer was "no" to any of the above questions, what can the FCA do to make all the answers positive? The answer is quite simple! YOU are the FCA! (Not Bronson, not Hatcher, not Jim and Ruby, the directors, nor myself) You, the 2,500 members are the FCA! If you want "positives" in YOUR newsletter, get your pen and paper out and let the "family" know what and how you are doing. You have control, the Editor is waiting to hear from you. Love ya all, Uncle Marty (Martin), FCA Vice-President.

The *Falcon* BULLETIN

February 1991

PRESIDENT'S MESSAGE

Well, the holidays are all over and everyone is back to slaving away, so we can think about trying to pay "Uncle Sam" soon.

Everyone needs to start thinking about their vacations and making plans for our National Meet in Oklahoma City, so that it will be our biggest and best so far.

My local chapter, The Mid-America Chapter, just had 9 cars at the Kansas City World of Wheels Car Show and picked up 12 awards and, looks like, a few new members; plus a wall plaque for club display. It was work but also a lot of fun plus we got a "whole bunch" of exposure.

Everyone needs to check out all the parts that the vendors are advertising in our newsletters and help them out. Plus their support helps the FCA bulletins and newsletters. Everyone take care,--Jim Hatcher, FCA President.

THE FALCON BULLETIN is published monthly by The Falcon Club of America with information from its members. The Falcon Club of America, Inc., is a non-profit organization dedicated to preserving the FALCON automobile built by the Ford Motor Co. from 1960 to 1970. Roy E. Sword founded the world wide club in 1979. It is incorporated under the laws of the State of Arkansas. Yearly dues to the Falcon Club of America are \$17 (\$22 outside the United States), and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72076.
